

Old Pueblo Archaeology Center Presents:

"Rock Art and Archaeology of Ventana Cave" Educational Tour

Saturday February 11, 2012, 6:30 a.m.-3:30 p.m.
Reservations Required

At Ventana Cave, a huge rockshelter on the Tohono O'odham Nation, archaeological studies recovered thousands of ancient Native American artifacts and documented human-made features up to 10,000 years old. Among the most moving and visual aspects of this National Historic Landmark site are its many pictographs dating to the Archaic, Hohokam, and historic Tohono O'odham periods. There are also petroglyphs outside the cave.

As each morning latens, the colors of the cave's pictographs fade away and many of the pictographs become almost invisible. Therefore, this special car-caravan tour to celebrate Arizona Archaeology and Heritage Awareness Month will depart from Tucson at 7 a.m. to arrive at the cave early enough to experience the pictographs' fullest colors in the midmorning light. The tour will be led by Old Pueblo Archaeology Center's director, Allen Dart, a Registered Professional Archaeologist. On the way to Ventana Cave there will be a stop in Sells, the Tohono O'odham Nation capital. The return trip to Tucson will include an option to stop and shop at a reservation trading post where Tohono O'odham baskets and other arts and crafts are offered for purchase at very reasonable prices.

Tour fees will benefit the Tohono O'odham Nation's Hicciwan District in its efforts to develop a caretaker-interpretive center at Ventana Cave, and will help Old Pueblo Archaeology Center continue its archaeology and culture education programs.

CANCELLATIONS less than 7 days prior to departure date are not refundable. Cancellation notice must be received in writing, or via email or fax, and will be effective as of the date received. Cancellations after final payment date/time will result in forfeiture of all money paid. No refund will be made for leaving a program in progress. Trip insurance is highly recommended. Old Pueblo reserves the right to cancel programs while in progress and to take action as needed on an individual or group basis, when in Old Pueblo's sole opinion the health, safety, or well-being of participants requires such action. The tour itinerary is subject to change at the discretion of Old Pueblo Archaeology Center, but participants will be notified of significant changes in advance if the change is under the control of Old Pueblo.

TRANSPORTATION: Registrants are responsible for their own transportation. High-clearance vehicle is required for the dirt road to Ventana Cave, so registrants are advised to carpool and share fuel costs with fellow registrants who can take high-clearance passenger vehicles.

ACCOMMODATIONS & MEALS: No lodging or meals are included in tour fee. Each participant needs to bring a lunch, at least one quart of water, and other beverages as desired. Snack foods are also recommended. No alcoholic beverages are allowed on the Tohono O'odham Reservation.

DEPARTURE: The tour caravan departs as soon as possible after 6:30 a.m. from the southeast corner of the Pima Community College "Community Campus" parking lot at 401 N. Bonita Avenue, Tucson, where those wishing to carpool with others can park vehicles at no charge. Bonita Avenue runs north-south between Congress St. and Saint Mary's Road just west of Interstate 10 and west of the Santa Cruz River. Community Campus is about midway between Congress and St. Mary's on the west side of Bonita. The return time is estimated to be around 3:30 p.m. but may be later considering how fast people can walk and regroup at the various stops and the possibility that vehicle problems can occur.

ACCESSIBILITY: The only segment of the tour likely to cause walking difficulty for some people is the hike to Ventana Cave, which is accessible only by a fairly steep trail up a moderately steep hillside, rising about 200 feet in elevation above the cave parking area. Access to the parking area is along an unmaintained dirt road about 1/4-mile long that crosses fairly steep washes, so low-clearance vehicles are not advised and it may be necessary to walk in to the cave parking area from wherever a vehicle has to stop. Tour leader will allow plenty of time for those who are able to make the trail or road walk but who cannot walk quickly. If you have difficulty walking over desert terrain or think you will not be able to hike up the trail to the cave you will only be able to view Ventana Cave from the parking area or wherever the vehicle can no longer negotiate the dirt road. Participants can walk/hike as much or as little as they wish.

REQUIREMENTS: Bring and wear a hat that protects the back of your neck and your ears. Bring and wear sunscreen lotion. You must be in good physical and mental health to do this tour.
