In this 3-hour workshop Old Pueblo's
expert flintknapper Sam Greenleaf
demonstrates and teaches how
to make arrowheads and spear
points out of obsidian and
other kinds of stone.

Sam provides insights into
how ancient peoples made
and used stone tools, and
provides hands-on experi-
ence in making and recog-
nizing stone artifacts.

All necessary equipment is pro-
vided. Limited to six participants.
Persons under age 16 can enroll if
parent or guardian also enrolls.

Register for the workshop for hands-
on instruction in how to produce
a flaked stone tool using a
hammerstone to break a
desired size of flake off of a
core of rock, thinning and
shaping the flake into a
projectile point or other
stone implement using an
antler tool, and finishing
the artifact using pressure
flaking.

This activity is designed to help
modern people understand
how early peoples made and used
tools. It is not intended to train
people how to make crafts for sale.
