**In this 3-hour workshop** Old Pueblo's  
expert flintknapper Sam Greenleaf  
demonstrates and teaches how  
to make arrowheads and spear  
points out of obsidian and  
other kinds of stone.

Sam provides insights into  
how ancient peoples made  
and used stone tools, and  
provides hands-on experi-  
ence in making and recog-  
nizing stone artifacts.

All necessary equipment is pro-  
vided. Limited to six participants.  
Persons under age 16 can enroll if  
parent or guardian also enrolls.

**Register for the workshop** for hands-  
on instruction in how to produce  
a flaked stone tool using a  
hammerstone to break a  
desired size of flake off of a  
core of rock, thinning and  
shaping the flake into a  
projectile point or other  
stone implement using an  
antler tool, and finishing  
the artifact using pressure  
flaking.

This activity is designed to help  
modern people understand  
how early peoples made and used  
tools. It is not intended to train  
people how to make crafts for sale.
